

- 1 **Standard construction** consists of environmentally-friendly furniture board with an upgrade option to NAUF (No Added Urea-Formaldehyde) Plywood. All sides, tops, bottoms, stretchers and shelving are 3/4" thick and our 1/2" back panel is fully captured on four sides.
- 2 **Cabinets are doweled** and glued before being assembled using an automated case clamp to ensure a rigid cabinet that is true and square.
- 3 **Furniture board interior** components and unfinished sides covered with choice of natural maple or white melamine; plywood components are natural maple wood veneers. Finished ends, interiors or panels covered with real wood veneer to match your doors.
- 4 **Front edges** are taped with coordinating PVC edgebanding on the sides, tops and bottoms.
- 5 **Shelving** is full depth on wall cabinets, half depth on standard base cabinets and full depth on full door base cabinets.
- 6 **Standard** is a 5/8" solid maple dovetail drawer with 1/4" plywood captured bottom, with an available upgrade to a Blum LEGRABOX with 5/8" melamine bottom.
- 7 **Full extension** Blumotion with soft-close feature.
- 8 **Fully concealed** 110 quick release with integrated soft-close and 3 way cam adjustment.
