

Metropolitan Cabinets & Countertops, a family-run business, is the largest manufacturer of cabinets in the Northeast. Since 1984 our priorities have remained the same - dedication to our customers and commitment to excellence.

A FULL TEAM APPROACH

- Our multi-family team is comprised of designers, estimators and project managers who are well versed in the complexities of the multi-family housing market
- Ability to manage large scale multi-unit projects as well as individual monthly tenant units

LOCAL MANUFACTURER ADVANTAGE

- Our cabinets are made in our 170,000 sqft state-of-the-art factory
- Cabinets are built on client's timeline - you receive product only when you need it onsite
- All material is shipped with labels corresponding to each individual unit
- Scheduling or job site changes are addressed quickly and without delays
- Deliveries made on Metropolitan trucks

OUR PRODUCTS & MATERIALS

- Offer wide range of cabinet materials, styles and price points to meet your needs
- Products are sourced for durability, sustainability and competitive pricing

Specifications

- 1 Standard construction** consists of environmentally-friendly 3/4" furniture board. All sides, tops, bottoms, stretchers and shelving are 3/4" thick with 1/2" back panel.
- 2 Cabinets are doweled** and glued before being assembled using an automated case clamp to ensure a rigid cabinet that is true and square.
- 3 Interior components** are unfinished sides covered with white melamine. Finished ends and panels covered with a melamine complementary to the color of the door chosen.
- 4 Front edges** are taped with coordinating PVC edgebanding.
- 5 Shelving** is full depth on wall cabinets and half depth on standard base cabinets. All shelves 3/4" thick.
- 6 Standard drawer box** consists of Blum Metabox drawer components and 5/8" captured bottom with Blum mounted slide.
- 7 Hinges** are self-close Blum 3-way cam-adjustable quick release. Blum comes with a lifetime warranty for drawer glides and hinges.

CONSTRUCTION UPGRADE OPTIONS

- **Plywood** cabinet boxes
- **Upgraded drawer box** consists of 5/8" wood dovetail drawer and 1/4" captured bottom with Blum Edge soft-close undermount slide
- **Upgraded hinges** have one soft-close, others standard fully concealed 3-way cam-adjustable Blum quick release
